Two Best Practice of the Year 2021-22

Best Practice – 01.

a: 08187 – 222383, 222

1. Title of the Practice: Well Organized School Internship Programme

2. Objective of the Practice:

- Developing professional capacities, teacher sensibilities, and sustained engagement of student-teachers ith learners and schools.
- Revealing the student-teacher to multicultural contexts of the society which influence the school environment and its functioning
- Validating the theoretical understanding of the student-teachers developed through various perspective and pedagogic courses.
- Enabling the student-teacher to internalize the role of the teacher as a facilitator of learning, classroom manager, recourse immobilizer, and innovator.
- Student-teacher as an evaluator of learner performance, planner and organizer of other curricular activities, mentor and counselor for students.
- Service provider for the community and parents, developer and evaluator of curriculum textbooks and other TLMs, etc.

3. The Context:

The school internship program is one of the key elements of the B.Ed course. It is also called the backbone of the course. In other words school internship program is a type of program where the aspirant practices teaching in a school.

Every B.Ed aspirant must attend the school intershipprogramme in order to get real-life experience with students. School Internship has been one of the key factors for teaching colleges

and universities. Equipping the student-teacher with required skills and competencies to cater to the diverse needs of the learners in School.

Student Teachers have an Internship Programme of 4 weeks in first and third semester and 14weeks in fourth semester. In the first phase students are oriented to the internship programme. They are made aware of their responsibilities and duties during the internship. In 4 weeks of internship the student teachers visits to different types of schools namely ICSE, CBSE, NavodayaVidyalayas, Morarji Desai School and Special School, the DIET and BEO's office are arranged. During these visits students learn the objectives and functions of these schools and offices. They also write the report of these visits.

In the second Phase the student teachers alloted to visit to internship schools for 8 weeks in primary schools and 6 weeks for secondary schools. Schools are assigned to the students by the Institution. Each student is assigned a mentor by their respective schools. A meeting of the heads of the Institutions and Mentor teachers is held prior to Internship Programme. The Heads of the Institutions are oriented to the responsibilities of student teachers, mentors and schools. Students visit their schools prior to beginning their internship and interact with the Heads of the Institutions and mentor teachers and collect their timetable and lessons. The Internship programme is monitored by the faculty of the college. During the internship students teach minimum 40 unit plan based lessons, conduct unit test, diagnostic test and remedial teaching classes. They observe the lessons of their mentor teachers and peers. Students organize cocurricular activities, a day of National significance, SUPW activity, a career guidance session, an Action research projects. Students maintain a on a daily basis. This helps them to become aware of their own strengths and limitations. Thus gives them an insight into the challenges faced and the cherishing experiences. With the help of these reflections, they are able to monitor their own growth. The third phase consists of the preparation and presentation of the report of the Internship. The internship programme ends with the viva-voce and Termend examination.

4. The Practice:

Before commencement of 4th Semester internship school programme need to take permission from the BEO for school allotment. Head of the internship schools and senior teachers of the school invited for orientation programme of Internship programme, the principal of the college provide detail information regarding internship programme. As per norms and guidelines of the

university student teachers orientated for internship programme. The regular practice of the internship school is as follows,

Morning Assembly: The student-teachers shall attend morning assembly on regular basis. They are also to address the assembly at least twice a week on various topics like moral education, profile of great personalities, health and hygiene habit, current affairs etc.

Classroom Activities: The student-teachers shall observe the classroom management system of the school. They will also take classes on their own pedagogy subjects. For this they are to prepare lesson plans (10 for each pedagogy subject during the internship period).

Developing teaching aids: The student-teachers shall develop various innovative teaching-aids depending upon the subject matter and level of the students.

Formative evaluation: The student-teachers shall conduct at least two tests, one at the beginning and one at the end of the internship period on a particular subject taught. For this they have also to prepare the blue print and the question paper both. This will also help them if they undertake Action Research.

Counseling of exceptional children: From the classroom observation or with the help of the formative evaluation the student-teachers shall find out the exceptional or special children and then make arrangement for counseling sessions.

Helping in organizing co-curricular activities: The student-teachers will try to organize co-curricular activities among the students with due permission from the Head of the institution. All the CCA's may not be possible during the period of internship, so they must try to organize at least quiz, debating etc.

PTA Meeting: The student-teachers shall attend Parent-Teacher Association meeting if such meetings are held during internship.

Maintenance of hygiene: The student-teachers are required to check whether their students are maintaining hygiene like cleanliness of nails, teeth, cloths etc.

Observation of festival: The student-teachers will participate in any festival which may be held during their internship period.

An Action Research: The student-teachers shall be required to undertake either A Case Study or An Action Research during the internship period.

Preparing ICT based lesson and integrated lesson presentations in each pedagogy in both sessions.

5. Evidence of Success –

During the internship programme the student teachers are able to get proficency in

- Maintenance of school diary (to be submitted on monthly basis)
- Analysis of syllabus & text book of a particular class (The Format is attached herewith) i
- Writing of lesson plans (Total: 20, 10 for each pedagogy subject)
- An Action Research
- The student-teacher will prepare and administer two achievement tests, one at the beginning and one at the end of the internship period on a particular subject taught. For this the student-teacher has to prepare the blue print and the question paper both and understand the evalution pattern.
- Develop organization of events, classroom management and leadership skills in internship porgramme.
- Observation of supervision and monitoring system of the school:
- a) Prayer & assembly
- b) SMDC/PTA/Staff Meeting
- c) Time table preparation
- d) Grievance redressal system
- e) Observation of student Union activities
- f) Role of teachers in organization of CCA
- g) Organisation of educational programme/ Community service etc
- h) Community festival and national festivals celebrations
- i) Observation of peer teachers' teaching

6. Problems Encountered and Resources Required:

- Lack of co-operation form the internship schools
- Lack of co-operation of school teacher in internship school regarding allotment of timetable/periods
- Regularity of students in school

Best Practice Report: 2021-22

Internal Quality Assessment Cell (IQAC)

Best Practices – 2

1. Title of the Practice: "Community ServiceProgrammes"

2. Objectives of the Practice:

- a) To instil a sense of social responsibility in the minds of the students.
- b) To engage the students in meaningful service that meets community needs.
- c) To equip the students with skills, attitude and knowledge so that they can work for the deprived sections of society.
- d) To understand the community in which they live and to understand themselves in relation to their community

3. The Context:

- The students develop among themselves a sense of social and civic responsibility.
- They utilize their knowledge in finding practical solutions to community problems.
- The students develop the competence required for group living and sharing responsibilities.
- They acquire skills in mobilizing community participation in acquiring democratic attitudes.
- The students Meet with established community leaders and trustees.
- They engage in informal small group contact with community leaders.

4. The Practice:

The college has a Social Outreach through its involvement with several NGO's which provides an opportunity to the students to work among the underprivileged sections and also with various civil society organizations. It is a constructive step to carry out by the institution to provide beneficial activities like health and hygiene camps, awareness rallies, motivational activities etc. for the deprived, needy and less fortunate children living in the orphanages, slums and rehabilitation centres. The College has organized several productive programmes so far extensively utilizing the services of the widespread network of local resources, which have a strong grass-root level presence with deep insight into community-based services contributing to the inspiring initiatives for the empowerment of the community and its health. The following are the programmes organized by the institution:

- Free Health Checkup and Blood Donation Camp,
- Fire Safety Measures Programme,
- Socio-economic Status Survey,

- Special Lecturing Programme on World Women's Day,
- SwachhathaAbhiyan,
- TraficSafty Measures,
- Plantation, Free plant distrubution to villagers,
- E-waste management Awareness and collection programme,
- Orientation on vermicompost to the villagers,
- Seed sowing programme in collaboration with Forest Department,
- Free distribution of National flags on eve of AzadikaAmruthMahotsvaprogramme under the initative of HarGharTirangaProgramme,
- Fit India Programme,
- Solid Waste management Visit and awareness programme,
- Save Water Awareness programme and Jata,
- Awareness programme on personal hygiene during adolescence for girls,
- Prohibition of Child Labour Day Celebration

5. Impact of the Practice:

On the faculty members

- It helps to understand the requirements of society and it helps to organise the programme in that way.
- It also helps how to use local resources in a better way.

On the Students

- Students got an experience of group living in and with the community, sharing their life and participating with them.
- The students develop the competence required for group living and sharing responsibilities.

6. Evidence of Success -

- Free Health Checkup and Blood Donation Camp is a set example to it. Shikaripura is a
 Taluk head centre even though it's not having any multi-specialty facilitated hospital
 here. Keeping view on this our institution has planned to organise a free health checkup
 and blood donation camp for taluk people. More than 1500 people get benefited from this
 programme free of cost and major problem patients were suggested for further diagnostic.
- Fire Extinguish Awareness and Demonstration Programme gave awareness among the students and public regarding fire precisions and measures to avoid more damage during a fire.

- Student-Teacher conducted a socio-economic survey by this we will get what place they have given for education in their life.
- A special lecturing programme was organised by Women empowerment cell at BCM, SC/ST Girls Hostel on the topic of personal hygiene during adolescence for girls,
- SwachhataAbhiyanProgramme was organised in and out of the campus.
- E-waste management Awareness and collection programme from the villagers of Hosadupadahalli and Thimlapura Village.
- Orientation on vermicompost to the villagers
- Seed sowing programme in collaboration with Forest Department,
- Free distribution of National flags on eve of AzadikaAmruthMahotsvaprogramme under the initative of HarGharTirangaProgramme,

7. Problems Encountered and Resources Required:

- Ensuring the all-around support in the programmes is also a tough task.
- Organizing various programmes during working hours, sometimes, has led to sacrificing the classwork.
- Implementation of the annual plan and its monitoring has become a tough task in view of the tight academic schedule.
