Students Concerns and Observation from the Survey:

The SSS has also pointed out a few grey areas where the college/ teachers do have scope for enhancement in quality of education. The following are the issues on which the students have shown concern:

 Institution need to modify the syllabus of the course and bring changes in its execution

 Library facilities need to upgrade and made available for students during their holidays also.

The College Authority and IQAC give utmost importance to the findings of this survey because these way students come to believe that even they have a say in policymaking. This was even we try to be true to the motto of our college, "Be and Make". This approach of participative policy-making is satisfying for students. It is always impossible to please everyone but often we try to strive towards keeping most of them happy, most of the time.
