## ABOUT THE CONFERENCE

International Conference focused on **INNOVATIVE AND QUALITY EDUCATION IN CONTEMPORARY ERA** is organised by Kumadvathi College of Education, Shikaripura. The event will bring together global leaders in education, school owners, principals, educators, teachers, and distinguished VIPs from various countries.

The primary objective of this conference is to “enhance the quality of early childhood, primary, and secondary education by empowering STEAM education, employability skills, entrepreneurship skills, green education, and mindfulness to build multi-talented global citizens with 21<sup>st</sup> century skills and spiritual well-being.”

Key themes of the conference will include; Innovative Pedagogies and Technology-Driven Education, Quality, Inclusivity and Sustainability in Education, Future Skills, Lifelong Learning and Social Concern in Education.

In today’s volatile, uncertain, complex, and ambiguous (VUCA) global environment, individuals must equip themselves with the skills needed to navigate these challenges. The conference will highlight strategies for fostering essential 21<sup>st</sup> century skills and supporting the spiritual well-being of children, helping them thrive in a competitive global society.

The conference is not merely a one-time event; it represents a continuous process of improving the quality of education. A series of conference activities, including live interviews, discussions, presentations, and an online lecture series covering topics such as STEAM education, employability, entrepreneurship, green education, and mindfulness, will be conducted by delegates and selected experts leading up to the conference. Educators are encouraged to participate in these pre-conference activities

## OBJECTIVES OF THE CONFERENCE

- Integrate emerging technologies like AI, VR, cloud, and mobile learning to enhance accessibility and innovation.
- Promote learner-centered pedagogies through personalized, adaptive, blended, gasified and project-based approaches.
- Strengthen digital literacy and cybersecurity for safe, ethical, and sustainable technology use in education.
- Strengthen quality assurance through accreditation, assessment, benchmarking, competency-based curricula, and policy reforms for excellence and equity.
- Build teacher capacity and leadership through professional development and inclusive, culturally responsive pedagogies.
- Promote inclusive and sustainable education by ensuring access for rural, gender, and differently-abled learners, supporting multilingualism, green campuses, and community engagement.
- Develop future-ready skills by fostering critical thinking, creativity, problem-solving, entrepreneurship, and innovation.
- Enhance lifelong adaptability through digital literacy, global competencies, reskilling, and STEM–STEAM integration.
- Promote holistic well-being with values, empathy, leadership, sports, yoga, mindfulness, and health education.

## CALL FOR PAPERS

The conference invite teacher educators, teachers, researchers, educational administrators from colleges and universities, Government officials working in Education Department, Curriculum developers, NGO's working in the field of education or special education and management members of teacher education institutions to provide innovative papers with original thinking on the following sub themes.
