Date of the Programme	Date: 25-05-2024 to 31-05-2024
Title of the Programme	7 Days NSS Annual Special Camp Report 2023-24
Objectives of the Programme	• Making education more relevant to the present situation to meet the felt needs of the communities and supplement the education of university/ college/school students by bringing them face to face with the community situation. • To provide opportunities to NSS Volunteers to play their due roles in the implementation of various development "programmes by planning and executing development projects, which not only help in creating durable community assets in rural areas and slums but also result in improvement of the condition of weaker sections of the communities. • Encouraging the students and non-students youth to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline and healthy and helpful attitudes towards the community. • Building up potential youth leaders by exploring the latent potential among the campers, both students as well as local youth (rural and urban), with a view to involve them more intimately in development projects for longer periods. The local leadership generated during the camps would also be useful in ensuring proper maintenance of the assets created as a result of the camps.
