ABOUT OUR COLLEGE

Kumadvathi College of Education was established in 1997 and is receiving grant-in-aid from the Government of Karnataka from 2011. Committed to excellence in teaching, research, and innovation, the college is permanently affiliated to **Kuvempu University**, recognized by NCTE, included under **Sections 2(f) and 12(B) of the UGC Act**, and accredited with **NAAC 'A+' Grade**. Spread across a **26-acre eco-friendly campus** at Shikaripura, it provides modern infrastructure, ICT-enabled classrooms, well-equipped laboratories, and a well-stocked library with digitised software. Renowned for its consistently excellent university examination results and numerous university ranks. The college has been developing ethical and professionally skilled teachers for nearly three decades with a strong focus on quality education, research, leadership, and global collaboration. The institution continues to nurture future-ready educators in a vibrant academic environment.

ABOUT SVVS TRUST

Swamy Vivekananda Vidya Samsthe (R) (SVVS), Shikaripura is a premier educational trust dedicated to quality education, value-based learning, and social transformation. Guided by its inspiring motto, **"Na hi jnanena sadrusham."** The trust has been nurturing knowledge, character, and leadership through excellence in education and community service for decades.

SVVS administers a diverse group of institutions, including **B.Ed. College, PU Science & Commerce College, High School, Residential Central School, Apparel Training and Designing Centre, First Grade College, Nursing School and College Hostels for Students**, providing quality education from pre-primary to professional levels, with special emphasis on serving the educational aspirations of all sections of society.

Sri. B. S.Yeddiyurappa, Founder Chairman of SVVS, a true educationist and former Chief Minister of Karnataka, is the chief architect of this trust. **Sri. B.Y.Raghavendra**, Secretary of SVVS and Member of Parliament, Shivamogga Constituency, through his untiring efforts, has developed the institution into a great temple of knowledge.

Presently, **Sri. M. B. Shivakumar** is the President, **Sri. B.Y.Vijayendra**, Treasurer of SVVS and Member of the Karnataka Legislative Assembly representing Shikaripura Constituency, and **Smt. Tejaswini Raghavendra** and **Smt. Prema Vijayendra** are the Board of Directors. With their commitment and entrepreneurial qualities, they continue to strive for the development of the trust.

ABOUT SHIKARIPURA

Shikaripura, a prominent taluk headquarters of Shivamogga District, Karnataka, is renowned for its rich cultural heritage, historical significance, and scenic natural beauty. It is the land associated with great spiritual personalities and social reformers like Allama Prabhu and Akkamahadevi.

ABOUT THE CONFERENCE

Artificial Intelligence (AI) is transforming the educational landscape by reshaping teaching, learning, assessment, research, governance, and institutional management. As education systems worldwide embrace digital transformation, there is an urgent need to ensure that technological advancements are aligned with the potentials of quality, equity, inclusion, sustainability, and ethical responsibility. AI has the potential to personalize learning, enhance educational accessibility, strengthen institutional effectiveness, and prepare learners with future-ready competencies. However, it also presents significant challenges related to ethics, data privacy, academic integrity, digital equity, and responsible governance.

The International Conference on “Reimagining Quality Education in the AI Era for Innovation, Inclusion, Sustainability, and Global Excellence” provides a global platform for academicians, researchers, educators, policymakers, industry experts, school leaders, librarians, and students to exchange knowledge, share innovative practices, and discuss emerging trends in AI-enabled education. The conference aims to foster interdisciplinary dialogue on leveraging artificial intelligence and digital technologies to build inclusive, sustainable, and globally competitive education systems while preserving the core human values of education.

OBJECTIVES 1-4

1. Explore the transformative role of Artificial Intelligence and emerging technologies in enhancing quality education.
2. Promote innovative pedagogical practices, digital learning environments, and technology-enabled assessment strategies.
3. Foster inclusive, equitable, and accessible education through AI-supported learning and Universal Design for Learning (UDL).
4. Encourage research and dialogue on Education for Sustainable Development (ESD), green campuses, and educational practices.

OBJECTIVES 5-8

5. Examine ethical, legal, and policy dimensions of Artificial Intelligence, including governance, data privacy, and responsible AI.
6. Strengthen quality assurance, accreditation, institutional effectiveness, and educational leadership in the digital era.
7. Promote teacher professional development and capacity building for AI-enabled teaching and learning.
8. Encourage interdisciplinary and multidisciplinary research that addresses emerging educational challenges and opportunities.

OBJECTIVES 9-12

9. Enhance international collaboration among higher education institutions, research organizations, policymakers, and industry partners.
10. Promote global citizenship, intercultural competence, lifelong learning, and future-ready skills for learners and educators.
11. Provide a platform for researchers, scholars, practitioners, and students to present innovative research, exchange ideas, and establish collaborative networks.
12. Disseminate best practices and evidence-based approaches for creating innovative, inclusive, sustainable, and globally competitive education systems.
