

CHILD RIGHTS!!!

I am a CHILD...

And so is anyone below the age of 18

You could be...

- * A girl or a boy
 - * A small baby or a teen
 - * Rich or poor
 - * A Hindu or a Muslim, etc
 - * Born to a businessman or a famous actor
 - * Black skinned, or white or brown all over
 - * Needing special things -
like a wheelchair, or hearing aids
 - * In any situation that's
completely different from
everyone else
- IT DOESN'T MATTER!**

**If you are below 18
you are a child,
as important as any
other child**

Did you know that
children have rights?

YES, CHILDREN HAVE RIGHTS!!

Many groups of children and adults from all over the world discussed what children's concerns are.

Then the United Nations came up with a list of rights

**For all children
all over the world
in 1989. For**

SURVIVAL

PROTECTION

DEVELOPMENT

PARTICIPATION

All children have the right to SURVIVAL

- To live
- Get good health care
- Get good food regularly
- Have a name- your own identity
- To have a nationality - belong to a country that will care for you

All children have the right to
PROTECTION

- To have a family that will protect you
- To be safe from every harm- physical or mental
 - To have your own privacy

All children have the right to
DEVELOPMENT

- to education
 - rest and leisure
 - recreation

All children have the right to
PARTICIPATION

- To express yourself freely
- To choose your own set of beliefs
- To know about things related to your life
 - To be a member of associations
 - To enjoy your own culture
