## Introduction

A special and well equipped history room is essential for the students of history room for teaching historical attitude of mind among pupils. There can not be effective and efficient teaching of history in the absence of history room especially assigned and fitted for the teaching of this subject. The teaching is to be made effective, purposeful and full of experience, a special and separate history room is to be set up.

### **Maintaining History Room:-**

- \* ) students are to be given some responsibility for history room management for definite period of time.
- \* ) Committees under chairmanships to be formed and entrusted with some definite task. This establish healthy relationship between teacher and pupils.
- " ) It provides training for group leadership and committee co-operation. It provides opportunities for self-discipline, self-control based on co-operation.
- \* ) It leads to character building and personal development. They receive effective training for democratic citizenship.
- \* ) Some periods are to be utilised for laboratory work. It develops skill, original thinking, planning and creative expression among pupils. They learn through research and exploration.
