## **Introduction**

The Union Cabinet approved the new National Education Policy-2020 (NEP-2020). It is the center of discussion and all education institutes want to understand what lies ahead. Hence this seminar with 5 themes gives us insight into all etiquettes of National Education Policy-2020. It brings all the budding student who have a dream to become a teacher in the future along with the teacher educators together on one platform, to discuss how the new policy is going to shape the future education specially concentrating on school education and teacher education in India. The objective of this seminar is to create awareness about the National Education Policy-2020 and discuss policy highlights and implications with various stakeholders, teacher educators, student teachers and others.

## **About College Level Seminar**

The seminar is focusing on the National Policy of Education 2020. This seminar is organizing by Kumadvathi College of Education Shikaripura. Changes in the ways is the challenging task to all of us, but changes according to the development and growth is needed for the nation development. NEP 2020 policy will be the milestone of good initiatives in Indian education system. This is the first education policy of the 21<sup>st</sup> century to reforming the thirty-four-year-old National Policy on education 1986. Built on the foundational pillars of Access, Equity, Quality, Affordability and Accountability, this policy is aligned to the 2030 agenda for sustainable development and aims to

transform India into a vibrant knowledge society and global knowledge superpower by making both school and college education more holistic, flexible, multidisciplinary, suited to the 21<sup>st</sup> century needs and aimed at bringing out the unique capabilities of each student.

## **Objectives of the Seminar**
