Kumadvathi College of Education, Shikaripura, IQAC & Language Club has organized the Workshop on Introducing Teachers Friendly Softwares for Student Teachers from 27-01-2022 to 04-02-2022 with a kind support from our college principal, teaching and non-teaching staff and student teachers.

The workshop was inaguration was presided by Dr. Shivakumar G S, Principal, Kumadvathi College of Education, Shikaripura. Dr. Kiran Kumar K S, Assistant Professor & IQAC Co-ordinator, Dr. Veerendrakumar Wali S and Dr. Ravi H of our college, were present on stage.

COVID-19 fundamentally changed education, forcing hundreds of colleges, universities, schools, training centers and tutors to move tuition to virtual settings-many, for the first time. While many institutions, schools,

colleges and public learning spaces are now reopening, hybrid forms of teaching are likely to continue for a while yet. The success of this model entirely depends on the technology chosen for the job and how educators and student teachers adapt to them in their teaching and learning process. We thought that our student teachers should not be handicapped in using softwares in their teaching learning process for this reason we have organised this workshop. In the workshop of the resource persons were gave information and hands on experience of teachers friendly softwares and its advance features in the classroom teaching. In this workshop all our teacher educators works as a resource persons. The list given below explains the Schedule of the Workshop
